OVERVIEW

The rugged beauty of the high desert in New Mexico inspired the interiors for this resort in the Sangre de Cristo foothills. Bernhardt Hospitality crafted serenely rustic furnishings for the 65 suites and casitas, highlighted by clean lines and natural hues. The extensive collection of casegoods, seating, and outdoor furniture includes an array of beautiful materials, from wire-brushed wood and textural metals to natural stones and sumptuous leathers and fabrics. Totemic shapes and simple forms give these custom furnishings a uniquely modern style.
