#### OVERVIEW

The Beverly Hilton, at the crossroads of the famed Wilshire and Santa Monica Boulevards, has been an iconic Beverly Hills destination since 1955 and has hosted the Golden Globes awards ceremony in its International Ballroom since 1961. Hollywood royalty and politicians are regularly seen in its lobby, which features a gold leaf and mother of pearl mural worth \$1 million, or by the elegant pool designed by Estee Stanley. When Hilton invested in a complete makeover for the hotel's 570 guestrooms and suites, Bernhardt Hospitality was tapped to provide casegoods, including tables, minibar/dressers, nightstands, and buffets. Using quartz, metal, glass, and wood, the designs reflect the chic Hollywood glamour that inspired the elegant interiors.
